About Tony- “Official Keynote Speaker” 600 Word Full Bio

Tony J. Selimi is known to his clients as the see-through coach, business success coach, trend curator, speaker, award winning author of two books, and a heart centered entrepreneur who believes in unleashing the infinite wisdom of love to make a global and greater impact in the world. He loves assisting entrepreneurs in becoming excellent value driven and heart centred leaders, increase their productivity, longevity, and creating the balance required for them to excel in all of the eight key areas of life.

Today he is acknowledged worldwide for his unique perspectives on human behaviour, mindful coaching, and personal transformations that are unlike anything else out there. Tony is a thought leader, an inspired visionary, and an ambassador for the evolution of human consciousness. He is a business consultant who globally provides answers to questions and practical solutions to life's challenges in talks, workshops, one to one coaching, mastermind groups, retreats, articles, radio and TV interviews as well as through his books and online downloads of the TJS Evolutionary Meditation Solutions. He is regularly sought out to advise on subjects of leadership, culture and innovation to corporations of all sizes and industries, government, politics and military.

Like a transparent mirror, Tony is known for his ability to see through people's problems, behaviours, thought patterns, and disempowering beliefs to help them clarify their values, expand their life's vision and mission, and tap into the infinite wisdom of their interstellar existence.

He is a #1 International Best Selling Author of "A Path to Wisdom: How to live a healthy, balanced and peaceful life." His book got short listed for the Management Book of the Year Award, won the finalist title in the USA Book Awards 2015, and is endorsed by many of the world's renowned public figures including the human behaviour specialist Dr John Demartini, who quotes as follows:

"Tony J. Selimi's new masterpiece, A Path to Wisdom, is a thought provoking book that can center your soul, touch your heart and heal your body-mind."

His newly released book #Loneliness: The Virus of Modern Age is a call for people globally to redefine themselves in the midst of adversity. It highlights the global toxic effects that loneliness has on our physical and emotional health, on our wealth, in society, with family, and in business. In partnership with Vandercom, Tony is now taking his work to a global audience through capturing his clients coaching journeys in a unique documentary called "Living My Illusion", with a Theatre production titled #Loneliness, and with audio books of A Path to Wisdom and #Loneliness.

Tony is no stranger to the media, appearing in various national magazines, he is regularly quoted as an expert by Key Person of Influence, Soul and Spirit, Global Women, Science to Sage, Migrant Women, Accelerate Your Business, Changing Careers Magazine, Consciousness Magazine, Your Wellness, Time Out, Soul Mate Relationship World Summit, and in TV and radio shows including Voice of America, Self-Discovery Radio and Spirit Radio. A popular and heart driven keynote speaker, he has given inspirational talks on a range of topics including: mindfulness, leadership, entrepreneurship, the evolution of human consciousness, attaining inner peace, achieving perfect health, emotional intelligence, spirituality, healing, energy and vibration. Tony has been a keynote speaker at the Animas Coaching Institute, Raw Fest, Be Inspired, Yes Group, Conscious Leadership, Love Spirt Festival, and Mind Body Spirit Festival, as well as private functions and after dinner speaking. He hosts regular webinars with his clients entitled Conversations with Your Highest Expression of Self.

His public social media pages are followed by hundred thousands of followers who are inspired by Tony's simple, effective, and thought provoking ideas that teach the power of speaking our truth, having balanced perceptions, and living our lives by being grateful and centred in our hearts.

He is a lifelong fan of anything to do with nurturing the body, mind, heart and the soul and has dedicated his career to creating a family of conscious world leaders, teachers, and healers who are healthy, wealthy, influential, and wise. He loves the freedom that he gets from being an entrepreneur, the opportunity he has to serve other entrepreneurs, and the buzz he receives from assisting others in their personal, professional and spiritual development. Tony is paving the way for soulful and heart centred leadership to be a part of our day to day life and in every company, community and society. He loves to inspire people globally to expand, grow, connect, communicate, and love.
