ABOUT TONY JETON SELIMI

Tony J. Selimi is an award-winning author, internationally sought-after business mentor, transformational life coach, filmmaker, and visionary, recognised as one of the world's leading authorities in self-mastery, human behaviour, and the psychology of personal and business success.

For over three decades, Tony has helped individuals and organisations break through perceived fears and limitations, achieve extraordinary results, and create quantum leaps in performance, leadership, and well-being. His work empowers people to elevate their social, spiritual, physical, and relationship lives, grow and scale businesses, increase financial intelligence, write impactful books, and strengthen mental and emotional resilience.

Tony is the creator of the TJSe Method®, a unique life-transforming system integrating ALARM®, Behavioural Change Principles®, The Unfakeable Code®, Values Clarification Process®, the Octagon of Excellence®, and the 12-Step Growth Accelerator Method. These methodologies have been used by Fortune 500 CEOs and senior leaders from organisations including Microsoft, SAP, Deutsche Bank, Bank of America, EY, Amec Foster Wheeler, and many others, as well as by entrepreneurs, MBA graduates, coaches, authors, scientists, doctors, politicians, global leaders, royalty, millionaires, billionaires, and public figures.

Organisations engage Tony to inspire and empower their people, resolve leadership and performance challenges, improve communication, sales, and business processes, address mental health and inclusion, and build cultures of high-performing, emotionally intelligent teams. His work consistently delivers measurable improvements in efficiency, productivity, profitability, and overall organisational well-being.

Through his private breakthrough consultations, Tony helps individuals overcome addictions, fears, depression, phobias, procrastination, and low self-esteem, dissolve relationship conflict, and reclaim clarity, confidence, and direction. His clients learn how to manage stress effectively, make better decisions, develop a success-oriented mindset, integrate work and life harmoniously, and create sustainable personal and financial success.

Drawing from his own profound life transformation, Tony is the #1 Amazon International best-selling and multi-award-winning author of *A Path to Wisdom*, *#Loneliness, Fit for Purpose Leadership*, *The Unfakeable Code®*, *A Path to Excellence*, and *Climb Greater Heights*. His books are designed to raise awareness, share practical wisdom, and provide actionable tools for personal, professional, and business transformation. High achievers seeking accelerated growth and impact also invest in being featured in *Into Your Divinity®*, his real-life transformational coaching documentary series.

As an international keynote speaker and consultant, Tony has spoken on stages including the United Nations, TEDx, the London Business Show, Cranfield School of Management, Rotary Club International, and numerous global leadership, business, and well-being conferences. He has been featured in leading international magazines and appeared on over 1,000 TV, radio, and podcast platforms worldwide, including ABC, NBC, CBS, FOX, SKY, and their affiliates—reaching more than 100 million viewers, listeners, and readers. He has also been interviewed by influential figures such as Ian Pelham-Turner, Jack Canfield, and Brian Tracy.

Inspired by the values instilled by his parents, Shaqir and Ljutvije Selimi—particularly the belief in education, discipline, and service—Tony is on a mission to elevate the lives of one billion people. His vision is to help individuals become purposeful, self-mastered leaders who contribute to a more just, peaceful, sustainable, and conscious world.

Tony is the founder of TJS Cognition, established with a bold vision to inspire decisive action, positive transformation, and contribute towards the evolution of human consciousness. His work is shaped by over 30 years of continuous study and cross-disciplinary research, more than 29,000 hours of coaching, training, and mentoring, and two decades of professional experience.

Tony J. Selimi is the recipient of multiple international honours, including London SME Most Visionary Entrepreneur, Corporate Coaching and Recruitment Business Coach of the Year, and numerous prestigious literary awards in Personal Growth, Self-Improvement, Leadership, Entrepreneurship, and Business.
